Dates: 12/07/2026 - 12/07/2026

Venue: C K Newsome Community Center
Evansville, IN 47713

Price: $50

Instructors:

Course Description:

Tactical Indoor UAS Operations

Hosted by the Evansville Police Department Drone Unit, this focused training session delivers mission?driven instruction on tactical indoor drone deployment. A representative from Indiana’s LEDA chapter will join EPD’s UAS team for a concise classroom briefing before transitioning into controlled indoor flight environments.

Participants will run close?quarters flight drills, obstacle negotiation, room?entry techniques, and scenario?based problem solving designed for confined?space operations. All flight exercises emphasize precision, threat?area awareness, and real?world tactical application.
